

Information Advice & Guidance

On Course has a team of Learning Advisers whose role is to help you identify your goals and make informed decisions about the next steps for your learning.

Help, advice and support is available to you before, during and after your learning programme from our team of Learning Advisers.

This may include advice on:

- Financial support that may be available while you are studying.
- Career panning – pathways and opportunities.
- Impartial signposting to suitable courses offered by any Learning Provider.
- Additional support to help you to achieve your learning goals (e.g. signer, portable hearing loops,).

You are encouraged to discuss any concerns in relation to your learning with either your tutor or a Learning Adviser.

Our Learning Advisors can be contacted on:
